AGROFOOD IN ROTTERDAM

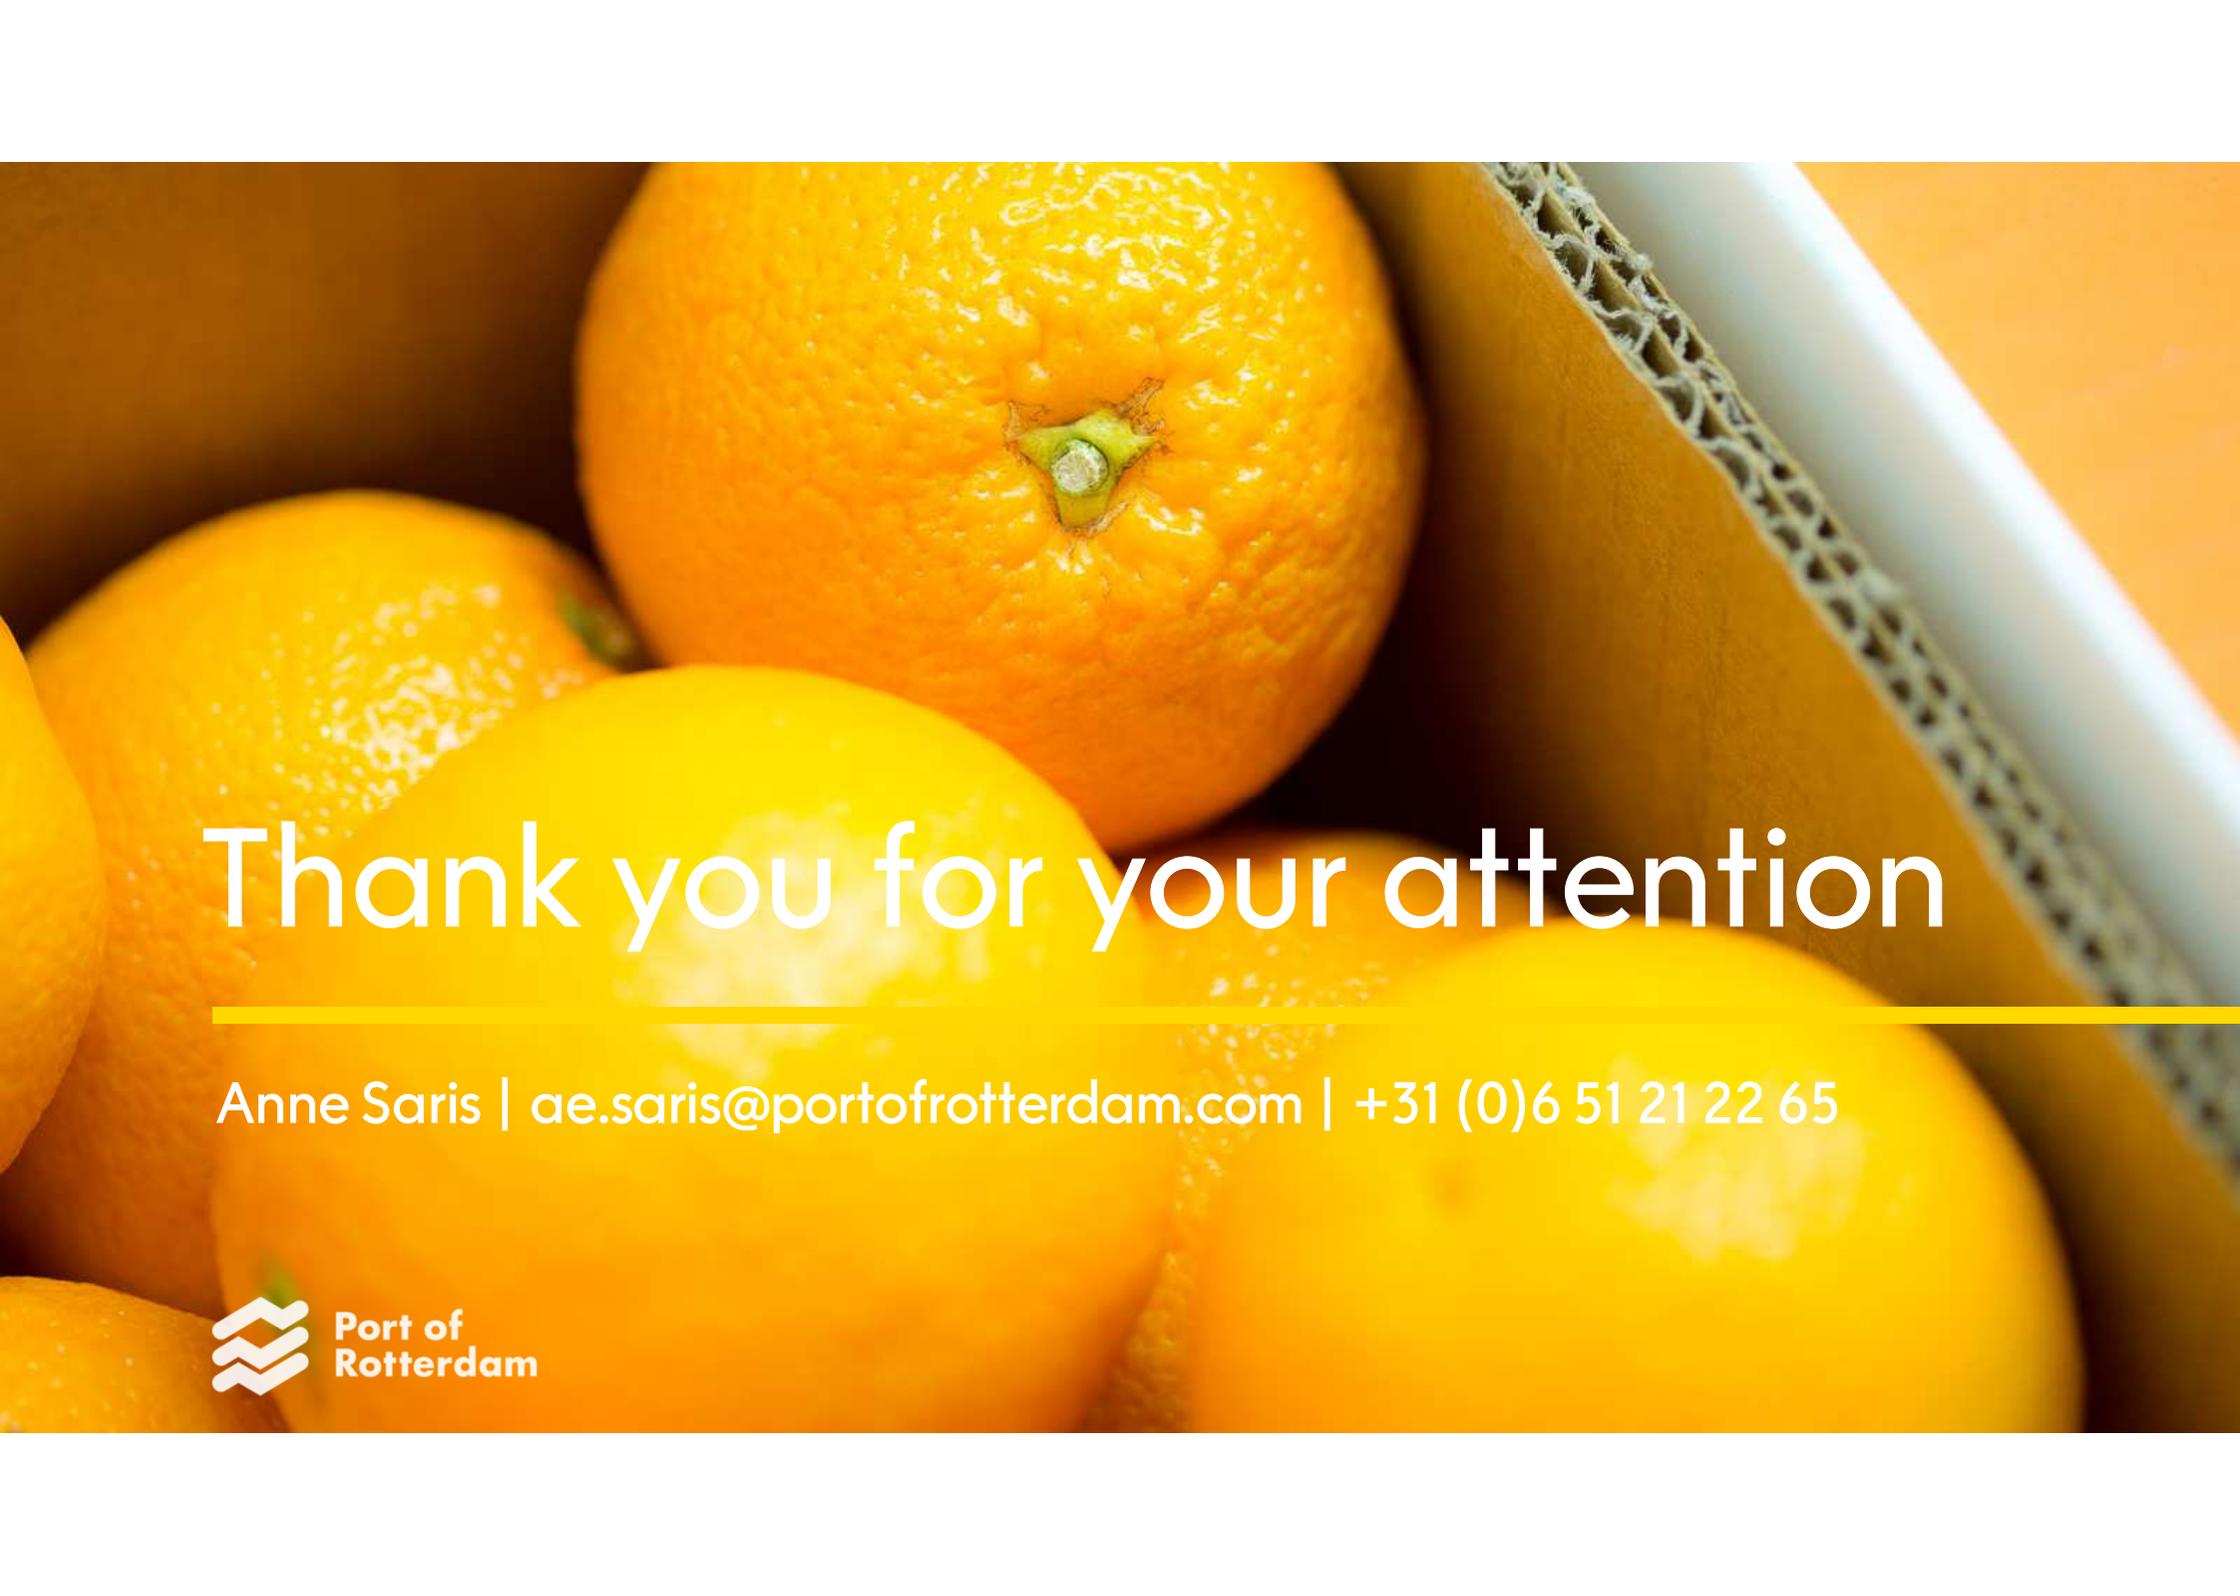

THROUGHPUT: IMPORT AND EXPORT (X 1.000 TONS)

CURRENT SITUATION

- Port is vital and operations continue 24/7
- Shipping from Latin America not impeded by outbreak
- Pressure on reefer containers
- Cold stores are fully operational
- Customs and phytosanitary scaled down but with enough remaining capacity
- Hinterland transport: waiting times at borders are slightly longer
- Changes in consumer demand and supply chain

Thank you for your attention
